## Skills

React  
Nodejs  
MongoDB  
Express  
JavaScript  
Typescript  
Linux  
Git

---

## Projects

### INTELLECT-INN

React, Nodejs, Express, MongoDB, Typescript, Chakra UI

Designed and built a full stack medium.com clone where users can view, write, edit, and delete articles, comments, and follow each other.

- Created a beautiful frontend design with Chakra UI
- Simplified state management with Zustand and Typescript for enhanced maintainability.
- Optimized page load times by implementing lazy loading with React Suspense
- Implemented Google and Session based authentication using Passport.js and Express.

## Education

### IQRA UNIVERSITY

BSCS  
2023-2027

### DJ SINDH GOVT. SCIENCE COLLEGE

Intermediate  
2020-2022

### CHAT APPLICATION

React, Nodejs, Express, MongoDB, Tailwind CSS, SocketIO

Built a real-time chat application with private chats, group chats, friend request functionality and user authentication.

- Integrated Socket.io for real-time communication.
- Added private and group chat functionalities.
- Secured application with JWT authentication.
- Designed UI with TailwindCSS and DaisyUI for a modern, responsive look and feel.
- Integrated friend request feature for users to connect with each other
